SWEDEN

According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EC Declaration of Conformity and CE marking according to the Low Voltage Directive 2014/35/EU.

This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

The instruction for use shall be written in a language acceptable according to the national regulation in the country where the product is to be used.

The certificate applies for countries that have sanctioned the use of plugs/outlets according to subject standard sheet and component standard.

This certificate replaces previously issued ref. No. 1805535 dated 24 January 2018 for model K7, S7 and Ariakt Flex. A new certificate has been issued on account of renewal.
